## Renewing the Church.

Revive! 2010 is a revival. It's about imparting and renewing Christian faith. Dynamic worship, preaching, and conversation with some of the brightest minds and hearts of our era, will inspire, challenge, renew and awaken your faith in Jesus Christ as personal Lord and Savior—and as Savior of the world.

Not all who speak, not all who gather, will agree. And that's the point. Tired of fighting the culture war, we gather to invite a new breeze of the Spirit to unite us in our love for Jesus, not in our doctrinal uniformity. Bound together by our thirst for justice, we gather as Christ's followers yearning for God's kingdom

**Trenton. June 11-13, 2010. Come.**

The invitation to Revive! comes from sponsors and a steering committee consisting of Presbyterians, Baptists, Catholics, Episcopalians, non-denominationalists, Evangelicals, Mainliners, and everything in between. It will take place June 11-13, 2010 at Trinity Cathedral in Trenton.

## Reviving Justice.

Our conviction is that faith in Christ is dead if it doesn't impel us into the world to minister to and with the broken to whom Jesus ministered: the stranger, the prisoner, the sick, the poor.

Focusing on the prisoner and the stranger, we will center on two of the great issues of our time: incarceration and immigration. We'll hear from speakers whose ministry passion involve these critical issues.

What about Monday? Most important is what happens when it's over. Attendees will be equipped and strengthened to do the ongoing work of justice in their own context, and through the community we create through Revive.
